Seminar Title: NFPA 13, 14, and 20 2019 Edition Update

Seminar Description: Bring your 2019 Edition of the sprinkler, standpipe and fire pump standards, a notebook and a highlighter. This full day seminar discusses the significant changes to the sprinkler, standpipe & fire pump standards. The seminar will go completely through the standards, and not just identify the new requirements, but discuss the reasons supporting them and the issues behind them as well as their potential impact. Attendees will also be provided with a list of the section locations of significant changes in the standards. Attendees should bring a copy of the 2019 Editions of the standards.
